

NATIONAL ASSOCIATION OF UNCLAIMED PROPERTY ADMINISTRATORS

A Network of the National Association of State Treasurers

Increasing awareness of unclaimed property as a vital consumer protection program

Why You Should Join NAUPA

By joining the National Association of Unclaimed Property Administrators (NAUPA), you'll be connected with state personnel charged with the responsibilities of unclaimed property administration and compliance in the US and internationally.

An affiliate of the National Association of State Treasurers (NAST), NAUPA provides a forum for discussions regarding interstate cooperation, education, training, uniform laws, reporting requirements and increasing the public's awareness of the role the states play in protecting and returning unclaimed property to the rightful owners.

Through annual conferences, webinars, conference calls, and other online resources, NAUPA provides a forum for meaningful and collaborative exchanges. Membership in the Network is inclusive of all staff who work in a dues-paying office; there is no extra per-person charge beyond the state office dues.
