

ANNUAL REPORT FISCAL YEAR 2020

(JULY 1, 2019 - JUNE 30, 2020)

AT A GLANCE

The Fiscal Year 2020 NAUPA Annual Report represents the public and private sector partnerships to provide the most in-depth look at unclaimed property statistics. Thank you to the participating states for sharing, Kelmar and Avenu for compiling, and the NAUPA Executive Committee for their leadership.

This anonymized data is invaluable in NAUPA's advocacy efforts to promote the incredible work of state programs, to track trends in the industry, and to remain the authority of unclaimed property.

If you have questions or want to submit information for your state, please reach out to **Jeremy Dawson**.
